NavPath Academy - Maritime Exam Prep

1. Audience Targeting

- **Primary Audience:** High school students (11th/12th grade) and recent graduates in India aiming to join the Merchant Navy via the IMU CET (Indian Maritime University Common Entrance Test).
- **Secondary Audience:** Maritime enthusiasts, repeaters taking crash courses, and individuals looking for Diploma in Nautical Science (DNS) sponsorships.
- **Demographics:** Primarily male, aged 16-21.

2. Keyword Strategy

Primary Keywords (High Volume, High Relevance)

- IMU CET preparation
- Merchant Navy exam
- DNS sponsorship
- Maritime academy
- IMU CET mock test

Secondary Keywords (Long Tail)

- Merchant navy entrance exam prep
- IMU CET previous year question papers
- Nautical science diploma
- Join merchant navy India

3. Optimization Notes

- **App Icon:** Ensure the cyan/navy blue "N" logo stands out against white backgrounds in dark mode. High contrast attracts clicks.
- **Screenshots:** Highlight the 4-day streak (gamification) and the mock test UI. Use bold text on screenshots (e.g., "Take 120+ Mock Tests!").

- **Video Preview:** Show the smooth UI transitions (Cupertino page slides) and a user answering a mock test question and getting a result.
-

Note: This document is based strictly on the current prototype features and its target audience.
