Merchant Navy & DNS Exam Tests

Promotional Text (Max 170 chars)

Start your Merchant Navy journey! Get full mock tests, in-depth physics & math lessons, and track your daily streak to ace the IMU CET exam.

Description

Chart your course to a career at sea with NavPath Academy! We provide a structured, exam-focused program covering Physics, Chemistry, Mathematics, and English tailored specifically for the IMU CET and DNS sponsorship exams.

Features included in this version:

- **Mock Tests:** Practice with realistic multiple-choice questions (e.g., Ship Stability, Kinematics) and get instant scoring.
- **Course Library:** Browse preparation modules like "IMU CET 2027 Complete Foundation" and "Merchant Navy Career Preparation."
- **Daily Streaks:** Stay motivated by maintaining your daily learning streak.
- **Study Materials:** Access downloadable PDFs and slides (Mocked for prototype).

Note: This is an early prototype. Video playback and live payments are currently simulated.

Release Notes (What's New)

- Introduced a brand new sleek UI with smooth page transitions.
- Added interactive Mock Tests with immediate result calculation.
- Improved the profile settings and daily streak tracking.
