NavPath Academy -- India's Dedicated IMU CET & Merchant Navy Preparation App

Are you preparing for IMU CET 2027? Whether you're a first-time aspirant or an IMU CET repeater looking for a second chance, NavPath Academy gives you everything you need to crack the exam and begin your Merchant Navy career.

WHY NAVPATH ACADEMY?

NavPath Academy is purpose-built for IMU CET preparation and DNS sponsorship coaching. Unlike generic coaching apps, every lesson, mock test, and study material is aligned to the exact IMU CET syllabus -- covering Physics, Chemistry, Mathematics, English, and General Aptitude.

KEY FEATURES

120+ IMU CET Mock Tests

Practice with realistic MCQ-format tests modelled on the actual IMU CET pattern. Get instant scoring, answer explanations, and performance analytics to identify your weak areas.

Expert Video Lessons

Learn from structured, concept-first video lectures covering the entire IMU CET syllabus. Watch at your own pace and revisit key topics anytime.

Study Materials & Notes

Download topic-wise PDF notes, formula sheets, and chapter summaries crafted specifically for IMU CET and DNS exam preparation.

Progress Tracking

Monitor your preparation with lesson completion rates, test score history, and daily streak tracking. Know exactly where you stand before exam day.

Personalised Notifications

Receive reminders for study sessions, upcoming live classes, and new mock test releases so you never miss a preparation milestone.
